III. 121 report – Paula and Rebecca
Paula reported that the CANAR Annual Conference, (Consortia of Administrators in Native American Rehabilitation) which is similar to CSAVR, is a provider and advocate for the Native American Rehab and will be having its Annual Conference in Scottsdale AZ. In addition, the conference will provide training on leadership for Tribal VR programs.

Paula also reported that she is officially the Director of the Navajo TVR and that her old position that is based in Window Rock is being advertised in addition to two counselor positions.

Rebecca stated that at the CANAR Mid-Year Conference held in June she and Paula presented on managing Tribal and VR Programs. Rebecca reported that SILC would be holding public hearing forums around the state for the SPIL, the State plan for independent living. Already scheduled locations are Farmington, Roswell, Jemez Pueblo and Las Cruces. Albuquerque and Santa Fe have not been scheduled yet.

Rebecca reported that Petra Solomon had submitted paperwork for SILC and SRC and requested that Bernadine stay on top of the progress for the SRC appointment.

Rebecca reported that she met with the Project Search Director in regard to bringing Project Search to the Jemez Pueblo. They are scheduled to have another meeting in October. The goal is to launch Project Search in the Fall of 2019 for students with disabilities in that area.

Rebecca stated that she would like to see State DVR and or SRC members attend the annual CANAR Conference in Scottsdale, AZ to see what it is like to be in that atmosphere and to go as support of the NM TVR programs.

Jemez VR is holding a stakeholder meeting for their upcoming Program evaluation and invites have been sent for SRC and DVR members to attend. Rebecca thanked Tracy and Guy for attending the Youth Transition Conference.

IV. Director’s Report – Adrian Apodaca, Executive Director, DVR
Adrian reported on and provided reports
A. Budget
B. IT
C. MOU’s
Adrian stated that there be more to and continued updates would be made regularly. In addition, to reformatting the spreadsheet to reflect correct information for each identified inconsistency.
D. Pre-ETS End of FY
Adrian also reported that under Order of Selection (OOS) he recently had to shut down two Disability categories. At this time DVR is only providing services to existing Participants that are already in an IPE and new Participants categorized as Most Significantly Disable MSD due to budget restraints.

Total Budget: 21.5 million -8.5 to personnel, -5. For buildings, - 3.2 for Pre-Ets leaving 5-7 million to serve the general public.

Adrian stated that it is unclear at this time whether DVR will receive its $550K match due to PED losing a major lawsuit concerning disability and service in their schools.

PED said that the general fund appropriation is frozen.

Adrian stated worst-case scenario is that the two categories may stay closed permanently if DVR does not get the 500K. Best is that if DVR does receive the match he will initiate a continuous cycle of opening and closing the two closed categories, providing service to 100-200 participants per cycle.

Adrian also stated that he does not see DVR opening the Non-Significant Disabled (NSD) category again or in the near future.

Adrian explained that Participants were notified of OOS, the shutdown of categories and were provided a list of other resources.

Rebecca stated that they could be a resource for some of these Participants.

Bernadine asked Adrian for designation of VR staff for the program and the administrative for SRC support. Stating that one person should be the designated
person to help with surveys, reports and memberships. Bernadine stated that she was not going to delegate this to her staff, as this was not their role. Adrian responded no. Saying that Surveys and membership was not his staff’s responsibility either. Rebecca recommended looking at the Federal Regulations as DVR and SRC are a partnership.

Bernadine stated that she does not have time to walk new members through the process or follow up. Adrian stated that his staff does not have time either. Rebecca recommended a review of the SRC budget to see if maybe a part time coordinator could assist. Therefore, removing that load from the DVR Liaison. Sandy stated that he thought the SRC Liaison essential functions should be rated and held accountable. Sandy asked Adrian what he was going to provide in that capacity as Joe had previously stated there would be a DVR staff specifically designated to provide SRC support.

Adrian stated that there has not been an SRC Liaison job for years. He also stated that the person that is the designated to be the DVR SRC Liaison is Paulette, his Admin. and the SRC does not want her. Some members agreed with Adrian’s statement. Adrian requested a list of all the things SRC wanted support with and stated there are some things that he does not agree with. Sandy stated we could negotiate if we can get that list. Bernadine stated that there has been improvement but they still do not have a full counsel. Rebecca stated that a list of things be put together, a simple job description for the liaison as it was not fare to Kathy to not know, and present to Adrian. Tracy stated that being a new SRC member and this being only her 2nd meeting she felt like things have vastly improved. Rebecca agreed 100%.

Bernadine stated that she would see when she has time to get something together.

Bernadine requested again that Sandy attend the CSAVR in Long Beach on October 27th and 28th. Adrian agreed to send Sandy. Bernadine also requested that Kathy attend the same meeting stated that it would be good as it focuses on the roles of the SRC. Adrian stated that he would try but it requires PED approval and was not sure that they would approve.

Bernadine stated that two folks needed to be assigned to be Chair and Vice Chair and elections to be made at the next SRC meeting in December. Requesting volunteers to solicit nominations and selections. Rebecca asked if a committee is required or could it be decided as a group. Paula asked, rather than a committee could we just ask Bernadine and Sandy to consider staying on and put on the agenda. Bernadine stated that she and /Sandy would talk about that.
