

PARTNERS FOR EMPLOYMENT

INTRODUCTION TO SUPPORTED EMPLOYMENT

A short training in essential skills for job developing and job coaching

In this 4.5 hour hybrid training (30-minutes of self-paced video modules/4 hours of live online classroom discussion), you'll gain the essential tools to begin your career as a job developer and job coach.

Or, if you're hearing about competitive integrated employment for people with disabilities for the first time and want to learn more, this training is a great place to begin!

In this course you will learn:

- How to implement a collaborative person-centered plan.
- How to identify and accurately report employment services for NMDVR.
- How to access future professional training and certification opportunities.
- How to partner with the unique supports of NMDVR, DDS, and PFE.
