Section to be amended: Amendment No. 1 – Correction of Posting Dates and RFP Document Version

Amended Text: This correspondence serves as **Amendment No. 1** to the Chief Medical Consultant Request for Proposals (RFP), issued in accordance with the New Mexico Procurement Code.

Between 8:00 a.m. and 10:38 a.m. on the date of posting, an earlier version of the RFP containing date inconsistencies was inadvertently uploaded to the NMDVR external webpage. To prevent confusion during the procurement process, the document was promptly removed upon identification of the issue.

Summary of Changes:

- Correction of date inconsistencies throughout the RFP document
- No changes have been made to the scope of work, evaluation criteria, or other substantive requirements

All prospective offerors are hereby instructed to rely solely on the corrected version of the RFP currently posted. This amendment is issued to ensure fairness, transparency, and equal access to accurate information for all interested parties.
